FOR IMMEDIATE RELEASE

Announcing Joshua W. Kim, M.D. as Center For Sight Equity Shareholder

Sarasota, FL—April 25, 2011— Center For Sight, Southwest Florida’s premier multi-physician vision care and cosmetic facial surgery practice, is pleased to announce that glaucoma and cataract surgeon [Joshua W. Kim, MD](#), has been named an equity shareholder of Center For Sight and its related companies, including Laser & Surgical Services at Center For Sight, LLC, an AAAHC accredited ambulatory surgery center.

In 2005, Dr. Kim joined Center For Sight after completing his glaucoma fellowship at the prestigious New York Eye & Ear Infirmary of New York City. Board certified by the American Board of Ophthalmology, Dr. Kim specializes in the diagnosis and treatment of [glaucoma](#). He is committed to delivering unsurpassed results with exceptional care and brings the unrivaled combination of second-to-none medical training with the latest technology in **glaucoma treatment**.

“We are very pleased that a dedicated physician with such outstanding training and surgical expertise has joined our practice as an equity partner and will continue to provide a stable foundation for growth as we move forward,” says [David W. Shoemaker, M.D.](#) Center For Sight’s Founder and Chief Executive Officer.

Founded 25 years ago, [Center For Sight](#) is comprised of twenty-two physicians and seven Southwest Florida locations providing patients worldwide with comprehensive vision care, eye surgery, cosmetic facial surgery, dermatology, skin care and hearing services. Under the clinical direction of David W. Shoemaker, MD, and [William J. Lahners, MD, FACS](#), Center For Sight surgical procedures are performed in their state-of-the-art AAAHC accredited surgery center located in Sarasota. For more information, visit [CenterForSight.net](#) or call (800) 941-6956.
