Assistant Clinical Professor of Ophthalmology

University of South Florida
Tampa, FL

Consultant, Department of Ophthalmology

Doctor's Hospital
Sarasota, FL

EDUCATION:

FELLOWSHIP:

- Cornea and External Disease, Refractive Surgery, and Glaucoma
- Richard L. Lindstrom, M.D., David R. Hardten, M.D., Thomas W. Samuelson, M.D./Minnesota Eye Consultants/Phillips Eye Institute
710 East 24th Street, Suite 106
Minneapolis, MN 55404
July 2000-July 2001

RESIDENCY:

- Ophthalmology Residency
- Emory University Department of Ophthalmology
1365 Clifton Road NE
Atlanta, Georgia 30322
July 1997 – June 2000

INTERNSHIP:

- Combined Internship in Medicine and Surgery

- Mayo Clinic
4500 San Pablo Road
Jacksonville, Florida 32224
July 1996 – June 1997

MEDICAL:

- Doctor of Medicine/Honors Program
- Louisiana State University School of Medicine
1542 Tulane Avenue
New Orleans, Louisiana 70112
August 1992 - May 1996

GRADUATE:

- University of New Orleans, Department of Chemistry
- One year studying towards a Ph.D. in Chemistry and instructing undergraduates as a Teaching Assistant
New Orleans, Louisiana
August 1991 - May 1992

UNDERGRADUATE:

- Bachelor of Arts in Biochemistry
- University of Texas
Austin, Texas
August 1987 - May 1991

HIGH SCHOOL:

- Summa Cum Laude
- Jesuit High School
New Orleans, Louisiana
August 1983 – May 1987

HONORS AND AWARDS:

MEDICAL:

- Fellow, American College of Surgeons, 2007
- Reviewer: Journal of Cataract and Refractive Surgery
- Reviewer: Journal of Refractive Surgery
- Young Physicians and Residents Committee, American Society of Cataract and Refractive Surgery, 2001-2006
- Best Paper of Session, ASCRS Symposium on Cataract, IOL, and Refractive Surgery, San Diego, 2001.
- Bausch and Lomb Travel Grant, CLAO Meeting, Las Vegas, 2001
- Best Fellow/Resident Paper, Second Place, ISRS Fall

meeting, Dallas, 2000

- Chief Resident, Emory Eye Center: Resident Selection Committee, Guest Lecturer Series, and Annual Resident's Day Alumni Golf Tournament, 1999-2000
- Alpha Omega Alpha, Medical Honor Society, 1995-1996
- Luis Perez Award for Excellence in Ophthalmology (Outstanding Medical Student of the Year, presented by the LSU Department of Ophthalmology), May 1996
- Honors Research Program (A three year research program offered to six students based on scholastic merit, and leading to an MD with Honors Thesis), 1993-1996
- Summer Research Fellowship (A University funded grant for research), Department of Anatomy, 1993
- Chancellor's Committee (Appointment as the student representative to the Chancellor to discuss issues related to student activities and safety on the LSU Medical Center campus), 1995-1996

GRADUATE:

- Teaching Assistantship, Department of Chemistry, University of New Orleans, 1991-1992
- Dean's List, 1991-1992
- Vice-President, Graduate Students Association in Chemistry 1991-1992

UNDERGRADUATE:

- National Merit Scholarship (Four year full-tuition scholarship), 1987-1991
- University of Texas Engineering Scholarship, 1987-1989
- Phi Eta Sigma, Freshmen Honor Society, 1987-1988
- Alpha Lambda Delta, Freshmen Honor Society, 1987-1988
- President, Chi Phi Social Fraternity, Nu Chapter, 1989-1990

BOARD CERTIFICATION:

- Diplomate, American Board of Ophthalmology: June 2002
- Diplomate, American Board of Eye Surgery, Refractive Surgery (LASIK): March 2003

MEDICAL LICENSE:

- State of Florida: Unrestricted License to Practice Medicine

and Surgery

License Number: ME82813

TEACHING EXPERIENCE:

- Volunteer Faculty: Assistant Clinical Professor, Department of Ophthalmology, University of South Florida. Teaching responsibilities include instruction of ophthalmology residents in clinic and in surgery, 2002-present

- Private Practice: Director of Laser Vision Services, Center For Sight. Instructor for cataract surgery and LASIK courses at major meetings (CLAO and American Academy of Ophthalmology Meeting), 2001-present
- Fellowship: Laser Vision Centers, Inc. instructor for LASIK, PRK, and Intacs. Provided faculty coverage for surgery and trauma call for the University of Minnesota ophthalmology residents at Regions Hospital, St. Paul, MN, 2000-2001
- Ophthalmology Residency: Teaching responsibilities included instruction of emergency medicine residents, internal and family medicine residents, and visiting medical students, 1997-2000
- Kaplan Education Centers: Instructor for Chemistry section of MCAT preparation course, 1998
- LSU Medical School: Tutor in Gross Anatomy, Histology, and Neuroanatomy, 1993-1994
- University of New Orleans, Department of Chemistry: Teaching Assistant and General Chemistry Lab Instructor, 1991-1992
- University of Texas at Austin, Department of Biochemistry: Tutor in Physics, 1987-1988
- Operation Upgrade, Jesuit High School: Volunteer Summer math camp for underprivileged children, 1987
